#KnowYourResearch

NIHR Dissemination Centre

We put good research evidence at the heart of decision-making in the NHS, public health and social care.

- **NIHR Signals** The latest important research summarised weekly
- **NIHR Highlights** Conditions, treatments and issues explored using NIHR evidence
- **Themed Reviews** Bringing together NIHR research on a particular theme

Get new research evidence by email.
Find out more at:
www.dc.nihr.ac.uk/email-sign-up.htm

You decide what we share

We need your help to decide which research findings are worth sharing.
